

## QUALITY products for industry & commerce

As you would expect, the Comptons 2000 quality is in evidence throughout the process, from design, development to production, with full technical support and specification to advice on fabrics and finishes.

From banners to boxing ring corners, from welding curtains to commercial vehicle covers, blackout systems to webbing assemblies, seating,

storage, aerospace and special projects, Comptons 2000 have built a reputation of the highest quality.

Our total quality procedures ensure that all aspects of design, quality, information, service and product production are of the highest possible standards, from the largest to the smallest project, from a huge marquee to a happy birthday banner, a generator or aircraft cover to a small blackout system.

Please contact us for further information or to arrange a consultation.

Comptons 2000...  
where quality always comes first.
